

Stefan Schwarz

A lit firework exploding against an orange background. The firework is a long, thin black stick that has been lit at the top, and it is exploding into a bright, starburst pattern of white and yellow sparks. The sparks are scattered in all directions, creating a sense of movement and energy. The background is a solid, vibrant orange color.

KURZNACHZEHN

Stefan Schwarz

A lit firework exploding against an orange background. The firework is positioned diagonally from the top right towards the bottom left. The explosion is bright white and yellow, with many thin, radiating lines. The background is a solid orange color with some subtle texture.
